

Ms. Jamie Ulloa, Grade K-2

Welcome to Tracy Independent Study Charter School! My name is Ms. Jamie Ulloa, and I come to TISCS with 15+ years teaching in the public homeschool independent study setting where I personalized student learning for families of K-12 students and held the positions of RtI Coordinator, Area Facilitator, and Program Support. Prior to that I taught 3rd grade at South-West Park School in Tracy for eight years after teaching 1st and 2nd grades in two different private schools in the Bay Area. I am excited to get back to my teaching roots by teaching K-2nd grade students again!

I am a product of the Tracy Unified School District as I attended South School for the elementary grades, Monte Vista Middle School, and Tracy High School where I graduate in 1988. Following high school, I attended University of the Pacific where I achieved my Bachelor of Arts degree in Liberal Studies and Literature in 1992. I recently completed my Master of Divinity degree this past May 2021 in Theology at Liberty University in Lynchburg, Virginia where I am now pursuing my doctoral degree in Theology and Apologetics.

I am the mother to three children ages 15, 17, and 19 who have all gone through or are currently going through the Ag-Science Program at Tracy High School. I also have two dogs named Cinder and Bruno. My hobbies include reading, watching/going to the movies, baking, swimming, cycling, hiking, and backpacking. Some fun facts about me are that in 2013 I completed the Ironman Lake Tahoe triathlon (2.4-mile swim, 112-mile bike, and 26.2-mile run for a total of 140.6 miles in one day!), I've completed ten half-Ironman distance races (70.3 total miles each), and I have hiked Half Dome two times.

I look forward to meeting you and helping you on your educational journey!
