## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

#### Involvement Process for the SPSA and Annual Review and Update

#### School Site Council Meetings

September 11, 2020 - Annual review of goals including a review of data from the 19-20 school year. Shared that there was no SBAC data to compare overall achievement and achievement of English Learners due to cancellation of state testing in Spring 2020. Shared survey data from the Title I Parent Survey showing the percentage of parents who volunteered at their child's school. The number of parents reporting that they have never volunteered at school decreased from 46.8% in 2018-2019 to 39.5% in 2019-2020. All goals were implemented with some adjustments as of March 13, 2020 when distance learning began. Anticipated growth for student achievement as demonstrated by SBAC scores was unable to be compared. Shared proposed focus areas and goals for the 2020-2021 school year and will gather input from ELAC committee.

October 9, 2020 – Reviewed proposed goals, actions, and budget for 2020-2021 school year. Connected to findings from comprehensive needs assessment. After reviewing all three goals and strategies associated with each, the SSC unanimously approved the School Plan for Student Achievement for the 2020-2021 school year.

#### **English Learner Advisory Committee**

September 11, 2020 – Reviewed proposed focus areas and goals for SPSA. Shared focus on EL achievement, continued intervention with personnel and materials to support. The committee had no additional suggestions to add to the plan at this time.

October 9, 2020 - Reviewed proposed goals, actions, and budget for 2020-2021 school year. Connected to findings from comprehensive needs assessment. After reviewing all three goals and strategies associated with each, the ELAC unanimously approved the School Plan for Student Achievement for the 2020-2021 school year.

# **Resource Inequities**

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

#### Goal 1

High Quality Instruction in ELA/ELD and Mathematics

#### **Identified Need**

As part of the comprehensive needs assessment, stakeholders examined SBAC scores from the California School Dashboard, ELPAC scores, parent surveys, benchmark, and interim assessments. As a result the following needs were identified:

#### SBAC 3<sup>rd</sup> Grade ELA Overall Performance

2017-2018 Average Distance from Level 3 (-15)

2018-2019 Average Distance from Level 3 (-22)

2019-2020 No New Data

SBAC Relative Weaknesses Identified in:

Informational Texts Target 10: Word Meanings

Informational Texts Target 14: Language Use

Writing Target 8: Language and Vocabulary Use

#### Kindergarten Foundational Reading Skills: CVC data

2018-2019:

EL 61.7%

Not EL 79.3%

2019-2020 No End of Year Data

#### **ELPAC Data**

2018-2019 Overall Level 4 Students Schoolwide = 7% 2019-2020 Overall Level 4 Students Schoolwide = 7%

#### SBAC 3<sup>rd</sup> Grade Math Overall Performance

2017-2018 Average Distance from Level 3 (-6)

2018-2019 Average Distance from Level 3 (-13)

SBAC Relative Weakness Target E:

Use place value understanding and properties of operations to perform multi-digit arithmetic

#### **Annual Measurable Outcomes**

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
SBAC 3 <sup>rd</sup> Grade ELA Overall	Average Distance from Level 3 = -22	Average Distance from Level 3 = -12
ELPAC Scores	7% of Students reached a Level 4 overall score	14% of Students score at a Level 4 Overall
SBAC 3 <sup>rd</sup> Grade Math Overall	Average Distance from Level 3 = -13	Average Distance from Level 3 = -3

## **Annual Review**

#### SPSA Year Reviewed: 2019-2020

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required.

## **ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Data analysis was the driving force for professional learning, intervention, and coach support. Effective instructional strategies were provided through workshops, coaching, co-teaching and co-planning opportunities with instructional coaches through teacher labs. Supplemental programs were provided to support ELA/ELD and Math interventions. Field trips and assemblies supported grade level content.

End of year data in foundational reading skills and SBAC were not available due to a transition to distance learning as of March 13, 2020. Previous data showed: At the 3<sup>rd</sup> grade level, the goal was to decrease the distance from met/exceeded in ELA by 10 points. The goal was not achieved at that level. However, the trend over the last three years shows an increase in the percentage of students who are at met/exceeded in ELA. That goal will be continued this year.

The metric measuring distance from level three in 3<sup>rd</sup> Grade ELA SBAC scores will continue with a goal of a 10 point decrease in distance.

Students scoring at a level 4 on ELPAC remained at 7%. We will continue our goal of doubling the percentage of English Learners scoring at a Level 4 on ELPAC (from 7% to 14%).

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies were implemented as intended with some adjustments beginning March 13, 2020 when distance learning began.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

This year, instructional coaches will provide intervention support in a focused area of need during the instructional day. Our ELA coach will work with students on foundational reading skills. Our Math coach will provide support targeting math problem solving and place value understanding.

## Goal 2

College and Career Readiness

## **Identified Need**

Data from Title I Survey indicates:

2018-2019: 16.7% of parents do not expect their child to finish college

2019-2020: 9.9% of parents do not expect their child to finish college

## **Annual Review**

SPSA Year Reviewed: 2019-2020

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required.

## **ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

School Plan for Student Achievement Page 10 of 15

Parent workshops were implemented to support families with strategies for regular attendance and academic success. Attendance was promoted through the use of incentives. Safe & Civil environment was reinforced through weekly assemblies. The MTSS protocols to address chronic absenteeism and behavior were implemented and refined. Strategies showed a positive impact on families through communication and education about academic success. Chronic absenteeism continues to be an area of focus for 2020-2021.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies were implemented as intended with some adjustments as the school transitioned into distance learning in March 2020.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

One major difference in strategies during the 2020-2021 school year is the implementation of the AVID schoolwide strategies at the Kindergarten through 3<sup>rd</sup> grade levels. AVID strategies will promote academic success and increase awareness and positive expectations toward college and career readiness. Gaines will continue to focus on a reduction of chronic absenteeism through communication with parents, tiered interventions and attendance incentives.

## Goal 3

Parent Involvement

## **Annual Review**

SPSA Year Reviewed: 2019-2020

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required.

## **ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Parent education meetings such as Partners in Education Meetings, Latino Family Literacy Project, Family Nights, GATE and AVID meetings were offered to parents. Communication was established through flyers and Connect Ed. In the 2018-2019 school year, Open House attendance was at 78% with no comparison for the 2019-2020 school year due to distance learning. There was a decrease in the number of parents who never volunteered from 46.8% in 2018-2019 to 39.5% in 2019-2020.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies were implemented as intended through March 13, 2020 after which some activities were adjusted or cancelled due to distance learning.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

There will continue to be a focus on parents attending Parent Education meetings as well as parents becoming more involved with the school through volunteer opportunities and other schoolwide events. Our goal is to continue to increase the percentage of attendance at Open House. We are adding a metric related to parents monitoring our district learning management system, Schoology, by measuring engagement of parents in checking the platform either weekly or monthly.
