

I spun \_\_\_\_\_ and \_\_\_\_\_.  
number number

The Doubles fact that can help me

is \_\_\_\_\_  $\times$  \_\_\_\_\_ = \_\_\_\_\_.  
number number number

When I multiply \_\_\_\_\_  $\times$  \_\_\_\_\_ and  
number number

add \_\_\_\_\_ more I get \_\_\_\_\_.  
number number

I can use the \_\_\_\_\_ property

associative, commutative, or distributive

to help me find the product.
