Parent Information:

- For extra math support please use www-k6.thinkcentral.com, mr.mathblog.com 4th grade, and/or before school tutoring.
- One of the major shifts in 4th grade is that in K-3rd grade, students were learning *how* to read. In 4th grade and beyond, students are reading to *learn*. In class, we are working on reading until we understand the material.
- Parent Conferences – the week of October 23rd – 26th. This is the first **progress report** period grades. This is a time to look at where your child is academically and set goals to help him/her achieve and/or exceed grade level standards. The report card in December is their first report card. I look forward to meeting with all of you. If you **DID NOT** sign up online, a day and time will be assigned for the conference and will be sent home on Wednesday with your child.
- Thank you to Mrs. Gonzales for the computer stools, Mrs. Daniels and Mrs. Pratt for the Lego drawers set, Mrs. Hacker for the classroom pencil sharpener, Mrs. Rogers for the headsets (Computer lab was beautiful. Every kid was on task and learning) and Mrs. Shams. We greatly appreciate your support!!!
- I would like to give a heartfelt thank you to all our parent volunteers; Mrs. Jewell, Mrs. Gonzalez, Mrs. Stafford, Mrs. Garcia, Mrs. Hacker, Ms. Michele, Mrs. Rogers, Mrs. Zuniga, Mrs. Aragon, Mrs. Pratt, Mrs. Daniels and Mrs. Cervoni. I feel truly blessed... Thank you!☺
- **Donations Needed: Kleenex, crayons, color pencils, and Treasure Chest items.** Thank you for your support!

Thank you for all your help,
Mrs. Basin

Student Information:
