

# 4th Grade Supply List

Since we will be collaborating with other fourth grade classes, it is necessary for each student to have portable supplies. In other words, each student will need to have a small pencil box so that he/she can have all of their school supplies at hand when traveling to another classroom. We are asking that each student label their supplies with their name so that lost supplies can be returned to them.

**1 – 1 1/2” Ring Binder**

**Lined Notebook Paper - throughout the year**
