

4th Grade FAQ Sheet

Questions	Response
Where can I find my child's daily work?	Your child's teacher will assign the daily work on their Google Classroom.
Where do I find the grades for each assignment?	Grades will be recorded on Genesis once the teacher has graded the assignment.
What if my child is having issues with their Chromebook?	You can contact our tech coordinator, Mr. Eric, by filling out a tech issue ticket. This can be found by clicking here .
What if my child is still struggling with a topic from a lesson? How can I go about helping them?	Your child's teacher will include recorded videos of lessons for the assignments they are assigning. These videos can be found attached to their daily work.
How do I know what special my child has each day?	Included in the 4th grade parent guide, you will find a section titled 'Remote Learning Schedule', which is where specials are listed. They can also be found on your child's Google Classroom.
How do I find the assignment for my child's schedule special each day?	The special teachers will be assigning their assignments with the children. They typically create their own Google Classroom where they post the work. They will share their class codes with your child in order for them to access the daily special's work. If you are still unsure, you can contact the specific specials teacher.
What do I need to make sure my child prepares for each day?	Your child should make sure their Chromebook is charged and they have a quiet space to work. Having a pair of headphones for class is also helpful. Their teacher will let them know what supplies they will need for each day.
What is something I can be working on with my child at home to prepare them for success in fourth grade?	You can work on their multiplication facts with your child and make sure they are fluent with their facts. Having them read to you each day and holding conversations about the books will also help them build their reading stamina and skills.
What if we don't have many chapter books at home for my child to read?	Your child will have access to reading apps, including Epic and RAZ Kids, which offers a wide range of leveled books. Your child's teacher will give them logins in order to access these apps.
What is the best way to reach you during the day?	Email is the best option.
