Schedule Explanations:

- ★ Morning Check-In Google Meet
 - Every morning we will have a Google Meet to check-in with each other as a class. I will announce what we will be doing during the day and see if there are any questions about the expectations for the day. This will also be a time for us to say hi and to share with each other.

- ★ Math Live Google Meet Instruction
- ★ Reading & ELA Live Google Meet Instruction
 - Students will login to Google Meet during this time to watch me teaching the lessons live. They can ask questions and I can check to make sure they are understanding the material. If a student isn't able to make it to this live lesson, it will be recorded and will be posted for them to watch on Google Classroom daily.

- ★ Math Google Meet Help
- ★ Reading & ELA Google Meet Help
- ★ Extra Help Google Meet
 - After our Math time, Reading and ELA time, as well as at the end of the day, I have several Google Meets where students can get extra help. They can ask questions and get further guidance on what we are learning that day.
