## 4th Grade Family Connection

### Overview

This month we are talking about Responsibility. One way to define Responsibility is “taking action and understanding the impact of our choices.” Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can help people and irresponsible actions can hurt others.

Responsibility is 1 of 3 traits we will focus on throughout the year that helps students Be Strong.

Throughout the school, students will be developing skills like focusing, organizing, and goal-setting.

### In The Classroom

While practicing Responsibility this month, 4th grade students will be focusing on organization using the **3T's**: organizing their **Time, Tasks and Things**. Students will evaluate the impact organization has on their ability to practice Responsible habits.

Practice using the 3T's at home to support your own Responsible habits. Role modeling is a great way to help support your student!

### Conversation Starters

- Can you describe how to use organization to help you be more Responsible?
- When working organizing your time, tasks, and things (The 3T's) how do you practice Responsibility?

### Reflect:

## PurposeFull Pursuits

PurposeFULL  
People

Have some fun connecting as a family this month while practicing Responsibility. Here are 3 "PurposeFull Pursuits" for you to complete together. How many can you do this month?

### Pursuit #1

As a family, think of ways in which you might make someone's life a little easier by helping a neighbor or family friend with 1 of their Responsibilities. Could you bring the garbage to the chute or out to the curb? Could you carry things in from the grocery store? Could you invite someone over for a meal or a show?

### Pursuit #2

Review Responsibility as a family! Responsibility is taking action and understanding how our choices affect others. Choose 1 household chore (or more!) that requires multiple steps. Then have each member of the family select 1 step to complete to help get the job done!

Maybe it is washing the dishes, doing laundry, cleaning the living room, or unloading the groceries - whatever it is, see who can be the quickest or most effective at their task!

### Pursuit #3

We have all demonstrated Responsibility in our lives. Many of us have seen people practice Responsibility in ways that have inspired us. Stories are powerful tools for connecting as a family. Protect time this week to share stories about Responsibility with each other (you can use the story prompts to get started). At the end of the conversation, think of 1 way you can practice Responsibility this week.

#### Story Prompts:

- A time I (or someone else) showed Responsibility was \_\_\_\_\_.
- An act of Responsibility that changed/challenged me was \_\_\_\_\_.
