FROM THE PRINCIPAL'S OFFICE:

Pandemic Response Education Option Designation

During a Pandemic Response Education Option (PREO), all students are assigned to one of two designations, either in-person (Monday - Friday) or fully remote. Sudden changes to a child's designation often result in a student not having the necessary materials needed to participate in classroom lessons. Keeping a child at home because they are not feeling well and having them work remotely is an appropriate reason to switch a designation in the short term, abruptly switching a child to remote as a matter of convenience is very difficult for staff to accommodate. Please adhere to your child's education option designation throughout the PREO.

Fifth Grade Celebrations

This year we will celebrate our departing fifth graders via a variety of celebrations. First, we will hold a fifth grade class day for our students. The class day will be held on June 15 at TIS. A second celebration will be a live streamed promotion ceremony. The ceremony will be both live streamed as well as made available for parents and guardians to view at any time via shared link. The promotion ceremony will be held on the morning of June 17 at 10:00 AM.. Lastly, we will again create a Fifth Grade "HAWK Fly By" Display tribute to our students. This display will be accessible by car in the TIS driveway. The display will consist of student photos, banners and some fun displays to honor our fifth graders. The HAWK Fly By will be available for viewing on June 22, from 9:00 AM to 6:00 PM.

More information on each of these activities will be provided in the coming weeks.

June 15 - Grade 5 Class Day at TIS

June 17 - Virtual Promotion Ceremony

June 22 - HAWK Fly By Display

Staff Appreciation Luncheon

Thank you to the PTO for holding a staff appreciation luncheon at T.I.S. on Wednesday. Thanks to Mrs. Smith and Mrs. Bishop for organizing the event and for spending the day at school ensuring that every detail at the luncheon was just right. THANK YOU!

Stuffed Animal Day

Every Wednesday TIS will hold a spirit day to celebrate being back in school five days per week. We will make announcements in advance of these fun days during our daily morning announcements. Our fourth spirit day Stuffed Animal Day was held on Wednesday, May 12.

Here is a list of May spirit days:

- 19 Spirit Day: Camouflage Day
- ~~21 Spirit Day: Patriotic Day~~ – moved to May 28th
- 26 Silly Hair/Hat Day
- 28 Patriotic Day

Third Grade Tolland Green Day

Our annual Tolland Green Day will be held on Monday June 14. Throughout the day, students will experience various aspects of colonial life in Tolland. Mrs. Baker will provide students with a class on dances popular in Colonial times, Mrs. Ballard will assist students in the drawing of well-known Tolland Colonial homes. Students will visit historic buildings on the Tolland Green and learn about the buildings from members of the Tolland Historical Society.

Summer Thoughts from the T.I.S. Reading Department

Summer Break is quickly approaching! Our students and teachers have worked hard all year to learn new skills and become stronger readers, spellers and writers despite the many challenges of the past year. Summer offers an excellent opportunity to strengthen those skills, and now more than ever it's a great time to take advantage AND...

[Prevent the Summer Reading Slide!](#)

The “summer slide” is an all-too-common frustration for teachers and parents. Students who don't read during the summer are likely to lose crucial ground for the years ahead.

Help prevent your child from the “summer slide” and provide them with opportunities to strengthen skills during the break from school. Here are some suggestions.

- **Have your child read 20+ minutes each day.** – Research proves that reading just 20 minutes each day outside of school can increase a student's vocabulary by almost 2 million words!
- **Set a good example.** - When your child sees you reading and enjoying a book, magazine or newspaper, you are sending a message that reading is an important and valuable activity.
- **Read with your child.** - Introduce a variety of book genres and writing styles.
- **Read for different purposes.** - Reading a recipe or directions for assembling a toy are fun ways of incorporating reading into everyday activities.
- **Make reading and writing a regular part of your daily home activities.** - If reading isn't one of your child's top priorities, consider setting up an incentive program to help them stay motivated.
- **Talk to your child about what he or she is reading.** - Ask open-ended questions such as, “what do you think about that story?” or, “What would you have done if you were that character?” to encourage meaningful discussions.
- **Visit Tolland Public Library:** [Library | Town of Tolland CT](#) or [Tolland Public Library | Facebook](#) and participate in their fun summer activities. Their Summer Reading Program is typically connected to Connecticut's **Governor's Summer Reading Challenge** (information has not been released yet on either program)

- **Play word games.** - Play games such as thinking of different words to describe the same things.
- **Set limits for screen time.** - Reducing screen time creates opportunities for reading.

FROM LAST WEEK'S DIGITAL BACKPACK:

Unified Arts Update for May 2021

Art ~ Library ~ Music ~ Physical Education

Ms. Ballard - Art

In the month of May, Cohort 5, the fifth grade classes of Zangerl, Catlin, and Biddle will have art. This new cohort started May 5th, 2021. The students will be trying their hands at Plaster Relief Sculptures, painting and drawing a Zentangle project. It is up to the students if they would like to bring in a smock to wear during class. All materials, projects and smocks must be taken with the students every day.

Each of the fifth graders should bring their materials every day to class. I will give new students to T.I.S. a baggie of materials on their first day.

The fifth graders will be given new folders, new materials and handouts. I will also hand out a large 2 gallon size ziplock baggie to hold all of the project and materials for class. **Each student will need to bring in a large cereal box to class for the plaster relief project. This cereal box will help in pouring and storing the plaster project until they can bring it home. I can not wait to get started!**

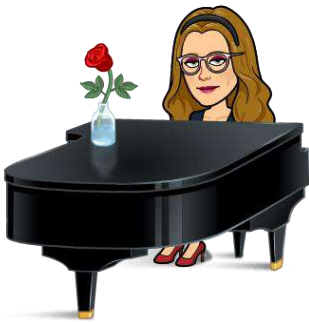

Mrs. Hill - Library Media

During the month of May and into June, **ALL** fourth grade classes will have Library as their Unified Arts special. Students will be reviewing skills from December and January, like logging into Destiny and searching for books by genre. In addition, they will complete a mini research project from picking the topic, taking notes, writing paragraphs, creating a Google Slideshow and finally presenting it to the class. Students will also spend time creating poetry and completing a STEM project. There is always so much going on in Library class!

****EVEN IF YOUR STUDENT DOES NOT HAVE LIBRARY AS A SPECIAL, THE LIBRARY IS ALWAYS AVAILABLE! Your student is encouraged to put books on hold at school or at home and the library staff will deliver the books to their classroom! So easy!**

Ms. Baker - General Music and Grade 5 Chorus

Grade 3 general music:

In just three more weeks Mrs. Arner's, Mrs. Cyr's, Mrs. Fischer's and Mrs. Babiec's classes will be back in music class with Ms. Baker. I can't wait to share more exciting musical lessons with you.

Grade 4 general music: Mr. Slayton's, Mrs. Bockus' and Mrs. Wunsch's classes are back in music with Ms. Baker. They will be learning about the music, instruments, dances, games and songs of Asia, and Africa. African drumming and learning the pentatonic scale on the xylophones will be so much fun.

Grade 5 general music: The fifth graders have completed their music classes for the 2020-2021 school year. Good luck at TMS!!!!

Grade 5 Chorus: Grade 5 chorus will continue to meet in person on thursday mornings from 8:30-9:00. Remote learners can log in using the Chorus google classroom meeting link.

The students will be working on more songs to share with you. Please log in to our Chorus google classroom to view our virtual 2021 Spring Chorus concert.

Mrs. Marchesani - Band and Chorus

Grade 4 Chorus: Chorus only members will be scheduled on a pull out basis and continue to meet on Wednesdays during the school day. Chorus members who are also in Band will meet before school 8:30 am to 9:00 am on one of the following days: Monday, Wednesday or Thursday. Any Chorus member who is remote at home will be able to meet by using the link in the 4th grade Chorus Google Classroom. We are focusing on vocal warm ups that help us to sing better. We are having lots of fun singing “Shake the Papaya” and “Which Ball Game” (Take Me out to the Ball Game partnered with a song about football) Please email nmarchesani@tolland.k12.ct.us if you have any questions.

Grade 4 Band: Band members are now working on 5 note songs! “Merrily We Roll Along” and “Lightly Row” are two examples of 5 note songs. Notation decoding skills have improved and band members are able to sight read new songs. We are beginning to learn songs with 6 notes such as “Farm Out” (Old McDonald Had a Farm) and “Sweetly Sings the Donkey”.

Being part of the band means that each week, students have SMALL GROUP instruction time whether you are an in-person learner or a remote learner. This year, we are using a rotating pull-out schedule during the school day. We are using special music masks and bell covers on our instruments when we play in school just like Band members in TMS and THS. Band is a graded class. 60 minutes per week of Home Practice is recommended for success and is an important commitment for students to make.

Grade 5 Band: “This Old Dude” continues to be one of the most favorite band pieces in 5th grade! Students are still working on the Concert F “Scale Preps for Beginning Band” by Mike Hannickel. Playing songs in rounds, such as “Frere Jacques” is a newer skill that band members are working to master. We have talked about transitioning to 6th grade Band at TMS. It’s that time of year already! Please contact me if you have any questions.

Mr. Downing - Physical Education

Third grade: The students will be participating in an exercise routine consisting of a warmup and exercises designed to elevate the heart rate. During the remainder of the class, the students will be working on movements skills or playing invasion games. Teamwork and sportsmanship will be the focus of these games.

Tolland Memorial Day Celebration 2021

Due to restrictions in place, this year the Tolland Permanent Celebration Committee is pleased to announce that they will be posting to their Facebook page (Permanent Celebration Committee Tolland CT), The traditional ceremony of the Tolland Veteran's Commission, The American Legion and the Boy Scouts in the laying of the wreath as a symbol of honor for our fallen soldiers for all to view. The Tolland High School Band will also be performing on the green.

Decorate your yard with a Memorial Day display honoring our fallen heroes. This year, our theme is ***On the Wings of Freedom!*** Make sure your display is visible from the street. Ten \$25 gift cards will be given out to the most decorative displays. **Submission Dates are May 15- May 30.** Send submissions to TollandPCC@gmail.com

We will also be providing a walking tour of the Tolland Green, to be taken at your leisure. It will include Town Hall, Wall of Honor, Hicks Stern Museum, Tolland Jail Museum, Old County Courthouse, Tolland Military Museum, and the Founders Monument on the north end of the Green.
