

Students may print or draw this game mat on paper if possible.

If using the Jamboard, consider making a copy for each student or partnership.

**Addition -
Choose a
number to
add to your
5-frame on
the next page**

4

**Subtraction -
Choose a
number to
take away on
your 5-frame**

Addition

Begin with an empty 5-frame. Roll a cube on the mat. Add the counters to this 5 frame.

Subtraction

Begin with a full 5-frame. Choose a number to see how many to take away.
