

On-Campus Recruitment Policy

Subject to the provisions of Subdivision (11) of Subsection (b) of Section 1-210 of the Connecticut General Statutes, the high schools of the school district shall provide the same directory information and on-campus recruiting opportunities to representatives of the armed forces of the United States of America and State Armed Services as are offered to nonmilitary recruiters, recruiters for commercial concerns and recruiters representing institutions of higher education.

The Board shall also provide full access for the recruitment of students by regional vocational technical schools, regional vocational agricultural centers, inter-district magnet schools, trade schools, charter schools and inter-district student attendance programs.

Directory information or class lists of student names and/or addresses shall not be distributed without the consent of the parent or legal guardian of the student or by the student who has attained majority status.

Military recruiters or institutions of higher learning shall have access to secondary school students' names, addresses, and telephone listings unless a secondary student or the parent/guardian of the such student submits a written request that such information not be released without their prior written parental consent. A student, eighteen years of age or older, rather than his/her parent/guardian, may request in writing that such information not be released without his/her prior written permission. The Board of Education shall notify parents/guardians and students of the option to make such request and shall comply with any request received.

(ESSA requires the release of the student's name, address and telephone listing unless, after giving appropriate notice to parents/guardians and students 18 years of age or older, of their right to opt-out and to require, after such opt-out, written permission to release the information.)

The school administrator may make the determination of when the recruitment meetings are to take place and reserves the right to deny such meeting where the holding of such meeting will materially and substantially interfere with the proper and orderly operation of the school.

Any person or organization denied the rights accorded under this policy shall have the right to request a review of the decision by the Board of Education by filing a written request with the Superintendent of Schools.
