PTA

Our PTA is busy planning our next virtual event. Get ready for a fun-filled virtual bingo night in February!

Please see the attached flyers or visit the Buchanan PTA Facebook page for more information.

Zoom Authentication

If your child is experiencing difficulties getting into their class on Zoom, please click [HERE](#) for directions. Our school district has added some extra security measures, and students that have not authenticated their Zoom account, will not be able to log on to their teacher's Zoom link.

You only need to do this once and they will be good for the remainder of the semester. If your child has already authenticated their account...thank you!
