As part of the Growth and Development Program we also have books entitled (1) American Girl, The Care and Keeping of You, (2) The Boys Book, Everything About Growing Up, and (3) The Girls Book, Everything About Growing Up. Parents can **VIEW THESE BOOKS THROUGH THE SCHOOL SITE**. The books can only be viewed at the site library and CANNOT be checked out. However, they would be great to purchase at a local bookstore to review with your children at night. We hope these materials will help in your parent/child discussion about the natural process of growing up.
