HIGHLAND 5TH GRADE REMOTE LEARNING

GOOGLE CLASSROOM

If you have not already, use the following class code to join our 5th grade page.

- q5wch2y

The lessons and homework are organized by the week. Students know they have tasks to complete if the icon next to the work is green.

When they complete and turn in an assignment, the icon will turn gray.

Green to gray is the way.

ZOOM MEETINGS

- The 5th grade teachers will be meeting with all the students via Zoom.
- The morning Zoom will be with your homeroom teacher. The afternoon Zoom will be with the other 5th grade teacher.
- Please allocate a quiet location where students have access to school materials and a writing surface.
- Suggestions:
 - Pack a backpack with supplies, books, workbooks, and daily planners, just like a student would do if they were physically present.
 - Avoid high traffic areas.

GRADING

All submitted work will be graded and scores will show up in Q Connect gradebook.
