

5th Grade Summer Reading Project

Summer is here, school is out, desks are empty, and locker doors are shut! While the end of school signals that wonderful feeling of release from homework, the “summer slide” can quickly set in. In order to avoid the “summer slide” (that time when your brain shuts down and you forget all that you learned in school throughout the year), the 5th grade ELA teachers are assigning a summer reading project. This summer all incoming 5th graders are asked to read a chapter book at their appropriate reading level and complete the reading project expectations.

5th Grade Policies for Summer Reading:

1. A **novel** will be assigned to you, on your reading level. It will be a **chapter book**. You **MUST** bring it back to school with your reading project. (there will be a fee if the book isn't returned)
2. When you finish reading, complete the **Summer Reading Assignment Questions** listed in this packet.
3. Complete two Summer **Reading Activity Choices** from the boxes below.
4. Bring your Summer Reading Assignment and Activity on the **first day of school**.
5. Students will **present** their Activity in class during the first week of school.
6. This summer reading project will count as the **first grade in your ELA class**. If it is not finished, you will lose points every week it is past due. At the end of the first marking period, you will be given a zero if you do not complete the project.
