- Sue DeMers
 - Suzanne Lusar
 - Tracy Sariana
 - Michelle Newman
 - Susanne Shapiro
 - Gina Hickerson
 - CarlottaRhea Clark
 - Kelli Troescher
 - Amy Edmundson
 - Dr. Omaira Lee
 - Shawn Stuht

Parents were given the opportunity to review and rate the materials online through digital format.

Science Committee
Recommendation

The logo for 'twigScience' is centered on the page. The word 'twig' is in a bold, pink, lowercase sans-serif font, and 'Science' is in a blue, uppercase sans-serif font. The background of the slide features a network of light blue dots connected by thin lines, with some dots being larger than others, creating a molecular or network-like pattern.
