### End of First Semester:

As we finish out the last week of this semester, we want to thank you for your partnership and support. This has been the most challenging time any of us has experienced in the education realm. Our teachers and staff have worked harder than they ever had before to continue the learning for our students in this virtual model. We would not have been as successful without our Buchanan school community, so thank you.

**From our Buchanan family to yours, we wish you a safe, healthy, and happy holiday.**
