Report Cards Coming Home Next Week

January 25th, 2019

Superintendent/Principal Message

Dear Parents and Families,

Teachers have been working diligently to complete report cards for every student. These will be mailed to families on Monday, January 28th. If you have any questions, please do not hesitate to contact your child's teacher.

February is right around the corner and it will be a busy month. On February 12th and 13th our school nurse will be here to present the 'Puberty Workshop'. This is for 5th and 6th grade only; parents will be receiving a letter to further explain, please look for those. Don't hesitate to call with any questions.

Our next parent meeting will be held on February 12th. We will be discussing our school safety plan, playground updates and school events. I hope you can make it!

Students will be coming home with a poem soon to be memorize for poetry day. Please ask your student about their poem and help them with their memorization. This is always a fun day for everyone.

For the kids!

Jami Thomas, Superintendent/Principal

K-2 GRADE

- The class has picked out poems which they will perform on February 28th, Poetry Day. Report cards will be mailed home on Monday, if you have any concerns please don't hesitate to contact me. The kindergartners are learning the letter "Oo" and the number "15". They are learning about ten frames in math. First and second graders really need to stay focused, the work is getting a lot harder. Please help your child review their spelling words!

3-5 GRADE

- This week the 3rd-5th started off with some fun and healthy exercise! They had a blast trying out different moves and exercise equipment. We also talked and practiced effective partner talk. How to use it and why it's important in the classroom.

6-8 GRADE

- This week we took extra time to finish up our African country reports. Each student has an "All About Me" slide project that was due this week. Next week we will be starting a new novel study.

SAFE Notes

(Safe Afterschool For Everyone)

We have been cooking and painting in SAFE and these kids are having a great time! We are continuing to not using personal technology devices in SAFE, if you need to talk with your child, please call or text the school. Thank you for your understanding!
