A dark, atmospheric illustration of a Halloween night scene. A large, pale full moon hangs in the sky, with several black bats flying around it. In the foreground, a large, glowing jack-o'-lantern with a menacing face sits on a stone ledge. To the right, a tall, dark, and twisted haunted house with multiple windows and a pointed roof looms over the scene. The overall color palette is dark, with shades of blue, purple, and orange from the moon and the jack-o'-lantern.

Halloween Parade will be on Monday 10/31

Parents can come watch the parade this year!

Parade will start at 8:30

Costumes must still follow school Dress Code. Please see Mr. Theall or Mrs. Jacobs with any questions

A Halloween-themed illustration. In the center is a large, dark silhouette of a castle with multiple towers and windows. Behind the castle is a large, bright yellow full moon. The sky is a dark orange-brown color, filled with several black bat silhouettes in flight. In the foreground, there is a dark silhouette of a grassy field. On the left, a black picket fence runs across the frame. A black silhouette of a cat is standing on the grass near the fence. On the right, another black picket fence is visible. The overall mood is spooky and festive.

☆That is all for this week stars☆

Have a wonderful weekend!
