Owen Ross - Principal Tami Butler - Assistant Principal

Welcome to the 2021-2022 school year! We are very excited to be back to in-person learning. The safety of students and staff is our number one priority to ensure safe learning this school year. Below is the re-opening plan for Curtis Elementary.

Entrance/Exit	<ul style="list-style-type: none"> Staff and students will have their temperatures taken daily upon entry to campus. Students in 2nd through 5th grades will enter through Merrill Avenue (black gate entrance) beginning at 7:40 a.m. 1st grade students will enter through the Lilac Avenue (fence gate) beginning at 7:40 a.m. TK/Kindergarten students will enter through the MPR entrance on Lilac Avenue beginning at 7:30 a.m. Staff will enter through the main office, where they will have their temperatures taken and complete the health survey. If a temperature exceeds 100.4, students will wait in a shaded area for a couple of minutes to cool down and their temperature will be retaken. If their temperature is still high after cooling down, parents will need to take the student home. If this happens during school hours, the school nurse will be contacted and the student will be taken to our CARE room to wait for parent pick-up. Staff and students must wear masks when on campus. A mask will be provided to staff and students in the event they need a mask. Staff and students will use hand-sanitizer as they enter campus. Staff and students will maintain up to 3 feet social distancing when possible. Students in TK will be dismissed through the Merrill Avenue side of campus at 11:30 a.m. and 2:30 p.m. 2nd - 5th grade students will be dismissed on Merrill Ave.; 1st grade students will be dismissed on the Lilac Ave. side of the school. Kindergarten dismissal varies per class. Dismissal time for Kindergarten students is 12:40 p.m., 1st through 3rd grade is 1:56 p.m. and 4th and 5th grade is 2:11 p.m.
Classrooms	<ul style="list-style-type: none"> Students will be provided with Plexiglass shields for their desks. Staff and students will wear masks in the classroom at all times. Social distancing of 3 feet will be maintained when possible. Staff and students will regularly use hand-sanitizer. Each student will be provided with their own devices and individual textbooks to discourage cross-contamination.
Playground	<ul style="list-style-type: none"> Staff and students will be allowed to take off their masks when outside. All equipment will be disinfected after each recess. Students will wash their hands or use hand-sanitizer before entering back into the school buildings. Social distancing of 3 feet will be encouraged.
Disinfecting/PPE	<ul style="list-style-type: none"> All areas of the campus will be disinfected throughout the day on a regular basis. PPE will be provided to staff and students as needed. At the conclusion of each day, the custodians will disinfect classrooms and high traffic areas throughout the campus.
Health & Safety	<ul style="list-style-type: none"> Health and safety expectations and procedures are posted throughout the campus. Hand-sanitizing stations are placed throughout the campus. Parents will be encouraged to keep their child at home if they are not feeling well. A symptomatic person with suspected or confirmed COVID-19 can return to school at least 24 hours fever-free without medication and improvement in all symptoms. They must also provide one of the following: 1) a negative COVID Test; 2) a doctor's note to return to school OR 3) 10 days have passed after the onset of symptoms.
