

## **One-to-One Device Program**

Waterbury Public Schools encourages the use of 1:1 devices and the network, including the Internet, as a tool for research and education. One-to-one (1:1) devices and the network, like any other school property, must be used for the educational purposes for which they are intended. The Chromebooks/Mobile Devices issued to students are the property of Waterbury Public Schools. The distribution of a Laptop/Chromebook/Tablet to each student is a privilege, not a right, and may be revoked at any time for inappropriate conduct. Before a Laptop/Chromebook/Tablet will be issued for use at home, students and parents or guardians must accept, and/or acknowledge the receipt of the “Waterbury Public Schools Network/Internet Acceptable Use” Agreement, “School District Laptop/Chromebook/Tablet Protection Plan Form” AND “Laptop/Chromebook/Tablet Student User Agreement and Parent Permission Form.” This acceptance/acknowledgement must be completed each school year.

The policy, procedures, and information within this document and all agreements apply to all District-owned Laptop/Chromebook/Tablets used in, and out of, District schools, including any other device considered by the administration to come under this policy. Individuals or teams of teachers may set additional requirements for use in their classroom.

Students are expected to abide by rules and behavioral expectations, while using a Laptop/Chromebook/Tablet, both at home and within the school.

The Superintendent of Schools is directed to establish guidelines and procedures for responsible use of computers, computers systems, software, electronic access privileges, and networks provided by the Waterbury Board of Education.
