Back to School Night

Mrs. Kristina Boyle

6th Grade

Room F103

CHAPMAN
UNIVERSITY

WELCOME!!!

I am very much looking forward to this school year! My goal is to facilitate a positive, nurturing, learning environment that promotes independence, responsibility, and respect. Ultimately, it is my hope that our students will become responsible, caring individuals, critical thinkers and life long learners. In our classroom we embrace that we are all a unique part of a larger whole!

PROFESSIONAL BACKGROUND

Educational Background

Clear Multiple Subject Teaching Credential . Cal State University, Fullerton

Upper Elementary Montessori Teaching Credential . NAMC

Lower Elementary Montessori Teaching Credential . MWTTP

Organizing self, materials, and belongings	
Solving problems appropriately	
Completing classroom assignments	
Completing homework assignments	

21st Century Skills

Collaborating well with peers	
Demonstrating independence	
Showing understanding of other perspectives by working together	
Building content knowledge through purposeful and attentive listening	

Explanation: _____

SCHEDULE & ATTENDANCE

 Your student should arrive prepared and ready to learn NO later than 8:30. They are tardy after 8:30.

 Attendance plays a vital role in your child's success, as each absence results in them missing lessons and assignments.

8:30- 8:50	8:50- 9:20	9:20- 10:30	10:30- 10:43	10:43- 11:15	11:15- 12:20	12:20- 1:00	1:00- 1:35	1:35- 2:05	2:05- 3:10
PE Run Club/ Attendan ce	DELD Morn- ing Work	ELA	Recess	P.E. Com- puters	ELA/ Math	Lunch	Math	Aviator Time	Social Studies/ Science

6TH GRADE CURRICULUM

Language Arts – Wonders (McGraw Hill)

- Weekly reading comprehension & vocabulary tests
- Weekly spelling tests- each unit has 5 weeks and then a break for the 6th week
- Writing
 - Informational- Trimester 1
 - Argumentative- Trimester 2
 - Narrative- Trimester 3

[Wonders Online](#) -Your student can access the weekly curriculum through their classlink account.

- Novel Studies

6TH GRADE CURRICULUM

Math- Big Ideas Course 1

- Fractions/Decimals, ratios/rates, algebraic expressions & equations, inequalities, surface area/volume, integers, coordinate plane, statistical measures, data displays

Big Ideas Math Online- <https://www.bigideasmath.com/BIM/login>

- Your student will need to create an account by clicking on the link above and selecting "New to Big Ideas Math." (can be found on class website)
- They will then be asked for an access code. Please enter:
Access Code: D7R5-NRRH-XGG2
- Your student will then be guided to enter their name, a password of their choosing and their student ID (if they don't remember their student ID I can help)

6TH GRADE CURRICULUM

Science- Next Generation Science Standards

- Our class will be piloting curriculum for the district this year

Social Studies

- Ancient Civilizations

Aviator Time

- Targeted instruction that meets the academic needs of students.

Physical Education

- Daily running (11.5 minutes) must run at least 4 laps to meet the 6th grade expectation
- At least twice a week

Computers

- Once a week in the lab & weekly access to laptops
- Google CS First- computer science program to learn coding

GRADING POLICY

Report Card grades are based on tests/various assignments/projects & use the following scale:

4 Extending

Student has an in-depth understanding of grade level performance standards

3 Achieving

Student is consistently meeting the grade level performance standards

2 Progressing

Student is partially meeting the grade level performance standards

1 Beginning/Standard Not Met

Student is not yet meeting grade level performance standards

HOMework

- Homework will be an extension of our classroom curriculum. We encourage you to provide the necessary structure and assistance for its completion. Homework will be given nightly, Monday – Thursday.
- All homework is written in students' agenda books and is due the next day unless otherwise stated. Homework is almost always posted on our classroom site through Cal Aero's website.
- Time management- unfinished work from class may become additional homework
- If a student is absent it is their responsibility to get all make-up work

Please be sure to complete

- parent contact information page with the best phone number and e-mail address for contacting you
- Getting to Know Your Student page
- Room Parent Volunteer form if interested
- Meet the Masters Volunteer form if interested

THANK YOU!

-Mrs. Boyle
