

The background features a dark blue gradient with a subtle starry pattern. On the left side, there are several overlapping circular and semi-circular elements. A prominent feature is a large circular scale with tick marks and numerical labels ranging from 140 to 260. Other elements include dashed circles, solid circles, and curved lines, some with arrows indicating direction. The overall aesthetic is technical and modern.

Careers

If Time Allows

Calligraphy

Homework assignments- I normally do not assign homework however, from time to time I may find it necessary to assign preliminary project

The background is a dark blue gradient with a subtle pattern of white stars. Overlaid on this are several faint, light blue technical diagrams. On the right side, there is a large circular diagram with concentric circles and radial lines, resembling a scale or a gauge, with numbers from 80 to 210. Below it is another circular diagram with dashed lines and arrows. On the left side, there are smaller circular diagrams, some with arrows indicating direction. The overall aesthetic is clean, modern, and technical.
