Vanessa Acuña, Assistant Principal

June 15, 2021

To: Parents of Butterfield Ranch Elementary Incoming 6th Grade Students

Welcome to the 2021/2022 school year. We are very excited to share all the information regarding one of the sixth-grade science camp highlights. Currently, we plan to attend Thousand Pines Outdoor Science Camp during the week of November 16-19, depending on whether the school district will allow overnight trips due to the pandemic.

Thousand Pines has an online registration site powered by Campdoc.com. The 6th grade team will provide you with the link within the first few weeks of school so you can process your child's online registration. We scheduled a 6th grade parent meeting in the MPR on Wednesday, August 18 from 6:00-7:00 p.m.

The total cost for camp is \$330. Please make a note of the camp payment schedule below, and write check installments to BRE PTA with one of the following options:

⇒ Pay in full on September 1, 2021, \$330

or

⇒ 1st Installment \$130 September 1, 2021

2nd Installment \$100 less 1st fundraiser profits October 01, 2021

3rd Installment \$100 less 2nd fundraiser profits November 1, 2021 (**cash only**)

We encourage all sixth graders to attend camp, as it is not only an enjoyable way to get to know one's classmates in a camp atmosphere but also a great way to experience science in an outdoor setting. The curriculum taught at Thousand Pines meets the 6th grade Common Core Standards for science.

We also strongly encourage all sixth graders to purchase a sixth-grade t-shirt for \$15 regardless of whether they attend camp or not. The sixth-grade t-shirt is worn during certain school events, on spirit days (Friday), and during any field trips taken this year.

⇒ T-shirt money (\$15) due in October, exact date TBD (this is a separate payment from the camp fee)

If you have any questions or concerns, please email your child's teacher.
