

Hello families and students,

We hope you are taking care of yourselves and using this time to rest and keep healthy. Here are some resources to help students keep their brains thinking and busy during this time at home. These are suggestions and most of these sites can be accessed through smartphones as well! We hope to see you back at school soon...

All the best,

The 6th grade team

Hola familias y estudiantes,

Esperamos que se cuiden y usen este tiempo para descansar y mantenerse saludables. Aquí hay algunos recursos para ayudar a los estudiantes a mantener sus cerebros pensando y ocupados durante este tiempo en casa. ¡Estas son sugerencias y también se puede acceder a la mayoría de estos sitios a través de teléfonos inteligentes!

Todo lo mejor,

El equipo de sexto grado.

ELA:

-Read the next three stories in your Study Sync workbook (get the gist and answer only the think questions)

-Read books you enjoy!

-Write: (daily journal entry, a story, summary of your readings, etc.)

Math:

-<https://www.zearn.org>

-<https://www.prodigygame.com>

-<https://www.khanacademy.org/signup?isparent=1> (free to create an account and offers a lot of great resources on various math topics)

Science:

-<https://www.exploratorium.edu/explore/activities> (science activities)

-<https://www.sciencebuddies.org> (science activities)

-https://www.makemegenius.com/video_play.php?q=7&g=Grade6 (science videos)

-<https://go.brainpop.com/family/home> (offering free access to families, just have to create an account. This has information for **all subjects!** Suggested topics to search related to science: the water cycle, weather, energy, cells, body systems)

-<https://www.khanacademy.org/signup?isparent=1> (free to create an account and offers a lot of great resources on various science topics)

Other:

-<https://www.typingclub.com>

-<https://www.typing.com>

-Draw/paint/be creative

-Stay active! Get outside and enjoy the fresh air when possible!
