Class Norms

- Distance Learning Classroom Expectations and Norms of Conduct

- General Guidelines

- Students should not share their login information, meeting links, or passwords with others.
 - To the extent possible, students should participate in virtual instruction from a quiet and neutral area that is free of distractions.
 - School and classroom rules apply to the virtual instruction environment.
- 

Class Norms (continued)

- · Students should dress appropriately for virtual instruction sessions.
- · Students who use inappropriate language, share inappropriate images, or in any way behave inappropriately on a video conference will be subject to appropriate discipline.
- · Students should not conduct audio or video recordings or take screen shots of virtual class meetings or activities unless they have received prior permission to do so from a teacher or authorized District official.
- · Once the virtual instruction session or meeting is over, students should be sure to close out of the meeting platform entirely.

Growth Mindset

- Challenges grow my brain, so this will get easier.
- I'm going to train my brain in how to do this.
- My brain is like a muscle I can train.
- I can do difficult things.
- Feedback helps me improve.
- I'm learning! I just need more practice.
- I am resilient and learn from my mistakes.
- I have other strategies I haven't tried yet.
- I will find resources to help me.
- I don't quit until it's my best work.
