Student Safety

Please make sure when you are picking up and dropping off your student that you are following traffic safety laws. There have been several complaints to the school office of vehicles speeding in the parking lot and using unsafe driving practices around the children. Please, for the safety of ALL OUR CHILDREN, follows the speed limit and traffic safety laws.

Attendance Policy

Morning Bell: rings at 7:55am, instruction begins at 8:00am. Students who arrive to school and are not in class by 8:00am are required to report to the school office to receive a late pass for class. Attendance is taken daily. When your child is absent, please call the school office at (559) 664-9741 to report your students absence to the office. As a reminder, you must call the school within 3 days to clear the absence or turn in a medical note. Please refer to the School or District handbook for specifics on excusable absences and further details.

Student Health Wellness

Message from the NURSE: As the winter months are upon us, it's important to ensure your students are dressed for the cold weather. Please make sure to send your child to school with jackets and/or warm sweaters. This is the first and best step to ward off the flu and runny noses! It is very cold on our playground in the mornings so please make sure your child is prepared for the cold weather. Should you find your child is in need of a warm coat or jacket, please stop by the nurses office as we work with several organizations like the Madera Leo Club to provide warm jackets for students in need.

Student Highlights

Congratulations to all the classroom Spelling Bee winners in 4th through 6th grade! We are proud of you all and the time and effort you put into your academics. Best of luck to you all! Way to go Panthers!!!

School Climate & Culture :

What is bullying?

The word bully at times is loosely used, but what is bullying? According to stopbullying.gov, the definition of bullying is "unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time."

If it is not bullying, then what is it?

Teasing - Everyone is having fun, no one is getting hurt and everyone is participating.

Conflict - No one is having fun, there is a possible solution to the disagreement and there is an equal balance of power.

Mean Moment - Someone is being hurt on purpose, reaction to a strong feeling or emotion, isolated event that does not happen regularly.

What can parents do?

Parents play a key role in preventing and responding to bullying. If you know or suspect that your child is involved in bullying, there are several resources that may help. It is important to learn to recognize the warning signs that your child is involved in bullying. Parents can learn what bullying is and what it is not. Understanding what bullying is, is the first step in forming a plan to prevent or respond to bullying with your child. Many behaviors that look like bullying may be just as serious, but may require different response strategies. Please visit stopbullying.gov for in depth resources to help parents, students and communities put a stop to bullying.
