

## CJED Proposed 7<sup>th</sup> and 8<sup>th</sup> Grade English-Language Arts Books

The following books align with the 7th and 8th grade ELA standards and will be used in accordance with the EngageNY curriculum.

The books are interchangeable so they will not all be used in one year and different books can be chosen in different years depending on student interest and current events. The books can also be moved around from 7th to 8th grade, depending on the level of the incoming students.

Some of the books are available online, while others are only available as paper copies.
