## Math + Science Connection

Intermediate Edition

### Look at Me!

Help your youngster learn about the science of *optics* with this mealtime activity.

Have him look at himself in a clean spoon. What happens if he looks in the bowl of the spoon? (He's upside down.) What happens on the other side? (He's right side up.)

Next, have him bring his finger toward the spoon and watch what happens on each side. The bowl (the *concave* side) will magnify his finger or make it look larger. The back (the *convex* side) will make his finger look smaller. Ask your child how scientists might use this information to make eyeglasses, cameras, or telescopes. *Tip:* He can remember which side is which by thinking of concave as "caves in."

*"The problem is not the problem. The problem is your ATTITUDE about the problem."*

~Captain Jack Sparrow

*Pirates of the Caribbean*

# Principal's Letter

November is here and the chill is FINALLY in the air! Several exciting events approaching.....

School will be closed November 11 in honor of Veterans' Day. Please encourage your children to write notes, make cards or call family Veterans and thank them for their service.

Culture Days are Monday, November 23<sup>rd</sup> and Tuesday the 24<sup>th</sup> teachers will be providing activities for all students via Google Classroom.

Tuesday, November, 24<sup>th</sup> from 5:00pm-6:30pm we are hosting a family literacy drive through. Swing by for pie, books, and a family craft to construct at home. We look forward to seeing you. Go Eagles!!

Students will be dismissed from virtual classrooms for Thanksgiving Break at Noon Wednesday, November 25<sup>th</sup>.

# BWCS Breakfast & Lunch Distribution

Hot Lunch & Cold Breakfast for the following school day will be delivered from

11: 45 am- 12: 30 pm.

Please be sure to bring a box or basket if you are picking up meals for multiple students.

D1 Annex Building ●

D2 Service Center ●

D3 Boys & Girls Club
