

Course Title: Entrepreneurship: Introduction to Business

Department: Business

Course Number: 7647

Grade Level/s: 9 - 12

Length of Course: Year

Prerequisite/s: None

UC/CSU (A-G) Req: G (Pending)

Brief Course Description: This course includes instruction based on the CTE business and finance standards. The course is the first/introductory course in the business pathway. Entrepreneurship recognizes the importance of a business opportunity. From the initial idea to the operating and maintaining a business, this course explores every aspect of business ownership. Entrepreneurship is necessary not only for students who will become entrepreneurs, but also for individuals working in the increasingly competitive corporate world. In United States, small businesses make up close to 90% of all businesses. Entrepreneurship integrates the functional areas of business that includes accounting, finance, marketing and management as well as the legal and economic environments in which any new venture operates.

I. GOALS

The students will:

- A. Identify the unique characteristics of an entrepreneur and self-evaluate the degree of those characteristics
- B. Identify the role and responsibilities of an entrepreneur
- C. Research websites of entrepreneurs, small business services and governmental resources
- D. Communicate with entrepreneurs as well as others studying entrepreneurship
- E. Develop an innovative idea and write a business plan for an entrepreneurship venture
- F. Describe how cultural differences, export/import opportunities and current trends in a global marketplace can affect an entrepreneurship

Course Outline: Entrepreneurship

- G. Apply marketing, economic, financial, management and legal strategies to entrepreneurship ventures
- H. Use critical thinking and related academic skills through connections between school and the “real world” and entrepreneurship case studies
- I. Complete a small business owner simulation with a real-world scenario that applies the course’s content utilizing real-world technology to make relevant decisions

California CTE Standards for Career Ready Practice
