

Dear 7th and 8th Grade Parents,

The school provides all the necessary items for education; however, it has been our experience that students want special school supplies. If you plan to purchase any school supplies prior to the first day of school, please consider the following suggested list. Having these items available on the first day of school would put your child at an advantage, as well as formalize organizational skills and practices.

7th and 8th grade Language Arts and Reading:

1 inch three ring binder
250 sheets of filler paper
Insertable 3-hole punched 5 tab dividers
Two-pocket folder

7th and 8th grade Math:

½ or 1 inch binder
Filler paper

7th and 8th grade Science:

This will be a paperless digital classroom so standard supplies are not necessary. Computer/device and internet access at home are helpful but not required for success.

7th and 8th grade Social Studies:

½ or 1 inch binder
Large pack of college rule filler paper
10 insertable 3-hole binder dividers
Two-pocket folder

****Useful items for all classes:**

Pencils (mechanical and regular #2) with extra lead and erasers
Small pencil pouch
Blue or black pens (no other colors)
Ear buds or headphones
Kleenex (several boxes for the classrooms)
USB flash drive

Thank you,
The Middle School Team
