# 2019-2020 Parent Connect Online Registration

Hello Cesar Chavez Parents & Guardians,

We are very excited to announce we are going completely paperless for student registration for the 2019-2020 school year! We believe you will find the process easy and time effective. You can find tutorials and additional information on Parent Connect website: <https://parentconnect.cnusd.k12.ca.us/>

**The deadline to complete your child's registration is May 10<sup>th</sup>, 2019.**

Once you have completed your child's online parent connect registration you will receive a CONGRATULATIONS email.

***Please note: Any student that does not complete the entire registration process as outlined in this packet will not be scheduled for the 2019-2020 school year.***

## IMPORTANT INFORMATION

- You no longer need to call the school to reset your Parent pin or password. You can now select NEED YOUR LOG IN INFORMATION link on Parent Connect.
- Please ensure that emails are not duplicated in Parent Connect accounts. Each parent/guardian must have their own individual email. **No family emails.**
- You cannot use your mobile device to complete registration. You must use a desktop computer or laptop.
- Computers are available to complete online registration at Cesar Chavez Academy and the Parent Center (call for availability), if needed.

If you have any questions or need assistance, please contact our office at 951-736-4640.

# PARENTS' GUIDE TO IMMUNIZATIONS REQUIRED FOR SCHOOL ENTRY

Starting July 1, 2019

## Students Admitted at TK/K-12 Need:

- **Diphtheria, Tetanus, and Pertussis (DTaP, DTP, Tdap, or Td) — 5 doses**  
(4 doses OK if one was given on or after 4th birthday.  
3 doses OK if one was given on or after 7th birthday.)  
For 7th-12th graders, at least 1 dose of pertussis-containing vaccine is required on or after 7th birthday.
- **Polio (OPV or IPV) — 4 doses**  
(3 doses OK if one was given on or after 4th birthday)
- **Hepatitis B — 3 doses**  
(Not required for 7th grade entry)
- **Measles, Mumps, and Rubella (MMR) — 2 doses**  
(Both given on or after 1st birthday)
- **Varicella (Chickenpox) — 2 doses**

These immunization requirements apply to new admissions and transfers for all grades, including transitional kindergarten.

## Students Starting 7th Grade Need:

- **Tetanus, Diphtheria, Pertussis (Tdap) — 1 dose**  
(Whooping cough booster usually given at 11 years and up)
- **Varicella (Chickenpox) — 2 doses**  
(Usually given at ages 12 months and 4-6 years)

In addition, the TK/K-12 immunization requirements apply to 7th graders who:

- previously had a valid personal beliefs exemption filed before 2016 upon entry between TK/Kindergarten and 6th grade
- are new admissions

## Records:

California schools are required to check immunization records for all new student admissions at TK/Kindergarten through 12th grade and all students advancing to 7th grade before entry. Parents must show their child's Immunization Record as proof of immunization.

# Honors Class Requirements

## Criteria for enrolling students into honors courses (Science, History, Lang. Arts)

1. The student requested the honors class on the online course request in student connect.
2. The student has an overall GPA of 3.4 in the last trimester/semester of the most recent school year.
3. The student has a B+ or better in each subject that honors is being requested.
4. The student has a “meets standards” or above on State Assessments.

## Criteria for placement in Accelerated Math 7

Students are recommended for all math classes, by the district, based on i-Ready Assessments, State Test scores, Teacher survey, Math grades and overall GPA. There are multiple opportunities for students to accelerate in math in future grades based on their grades, assessments, and readiness to accelerate.

# Elective Course Descriptions

## Band

Band emphasizes the fundamentals of music education including tone production, technical development, basic music theory concepts, and all elements related to successful public performance. Students are exposed to a wide variety of music with a goal of performing and will participate in performances at local theme parks and competitions. There are a limited number of school instruments available, so students should own their own or be prepared to rent from a local vendor. All ability levels are welcome!

## Choir (Singing)

Choir is open to all students who are not afraid to sing in front of others. Students will learn and perform vocal music of different styles and genres and focus on proper voice technique, ear training, stage etiquette, and song interpretation. Choir students will also learn about dynamic markings and other symbols written on sheet music and participate in performances at major amusement parks and school/community events.

## Computers

Students will work with a wide array of technology and mediums including computers, video production, digital photography, 3-D design and 3-D printing. Students will demonstrate both their content knowledge and technological expertise through project-based learning.

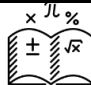

## AVID

Information about AVID can be found under the 7<sup>th</sup> period course descriptions. AVID is offered as an elective class or a 7<sup>th</sup> period class depending on space availability and student needs. Students that enroll in AVID should register for at least one honors class.

## 7<sup>th</sup> Period Course Descriptions

### Academic Support

Students are enrolled in these classes based on district criteria and/or IEP.

<b>ELD 1,2,3</b>	English Language Development is for our English Learner students. Students will receive intensive English instruction in reading, writing, speaking & listening.	
<b>Math Academy</b>	Math Academy is for students identified as needing additional support and extended learning time in math concepts.	
<b>ELA Academy</b>	English Language Arts Academy is for students identified as needing additional support and extended learning time in literacy skills (reading, writing, vocabulary, etc.).	
<b>Read 180</b>	Read 180 is for students identified as needing intensive support and extended learning time in reading comprehension.	
<b>Math 180</b>	Math 180 is for students identified as needing intensive support and extended learning time in mathematical concepts and number sense.	
<b>SFS: Intensive Support</b>	Success for School Intensive Support is an opportunity for students with incomplete or missing assignments to complete their work and raise their grades. Students will not be enrolled in this class, but will be able to participate as needed/recommended by their teachers.	

### Advanced Elective Courses

Students must apply and/or be accepted into these classes.

<b>AVID</b> application required	AVID teaches skills and behaviors for academic success and provides intensive support with tutorials and strong student/teacher relationships. AVID develops personal achievement gained through hard work and determination. Students that enroll in AVID should register for at least one honors class.	
<b>Leadership</b> application required	As the name implies, students will learn to take on leadership roles and help organize important events that take place at Cesar Chavez Academy. Students must be hardworking, collaborative, and creative.	
<b>Jazz Band</b> application required	Jazz band teaches the basics of jazz and is open to students who are able to demonstrate basic musical fundamentals and technical skills in woodwind, brass, and percussion within the context of a jazz ensemble. This course requires participation in performances and competitions.	
<b>SFS: Media Arts</b>	Students will learn both print and video media production skills, including the basics of journalism, photography, videography, computer graphics, and yearbook design.	

Students can choose to be enrolled in these classes.

<b>SFS: STEM</b> No application required	This science course will focus on hands-on science through project-based learning by introducing students to the world of scientific investigation. Students will use the scientific theory to explore, analyze and reflect on the various laws of science.	
<b>SFS: 20<sup>th</sup> Century History</b> No application required	SFS 20 <sup>th</sup> Century History explores the changes in the United State during the 1900s. Topics include women's suffrage, the Civil Rights Movement, World War I & II, and changes in cultural norms and values.
