# SPORTS MADE SIMPLE

We make sports and activities more organized with easy-to-use digital forms, health records and team communication tools.

DragonFly helps more than 28,000 coaches and ADs nationwide. We simplify registration for sports and activities in two ways:

1. **We don't rely on the student to be a carrier pigeon.** *(That doesn't work.)*
2. **There is no paper.** *(Seriously.)*
