

Mr. Drew Virtual Classroom Syllabus

7th Grade Physical Education (edited)

GRADES

Virtual Classwork

Please complete all work assigned in your OneNote using Teams by the due dates stated as I will be grading all work that is assigned. You can find assignments using the link to Teams on my Woodcrest website.

Your weekly assignment will be to complete a Physical Education Exercise Log which can be found on your Teams link. Each day the Exercise Log is worth 10 points. 1 point for push-ups, 1 point for run in place/walk outside, 1 point for curl-ups, 1 point for planks, 1 point for mountain climbers, 1 point for jumping jacks, and 4 points for parent/guardian signature. Therefore, the Exercise Log is worth a total of 50 points every week. Completed logs need to be turned in using Teams. An Exercise Log is due every Sunday by 11:59 PM.

Assessments

Assessments are to be determined.

MATERIALS

Technology

Students must have access to a device, please contact the Woodcrest office if your child needs one

Class Website/OneNote

Students and parents can check my class page on the Woodcrest website or Teams for information and homework due dates.

CONTACT

If you have any questions, please call the Woodcrest front office at 909-923-3455 or email me at scot_drew@chino.k12.ca.us
