

Gardner Middle School
Application for Advanced STEAM
8th Grade Only

Name: _____ Current Grade Level: _____

Science & Technology, interpreted through Engineering & the Arts, all based in Mathematical elements. Advanced STEAM will be primarily focusing on Robotics and Architecture. Using real world applications of structures, designing, and redesigning. Application will cover everything from identifying the problem/need, research, concept formation, drafting, scaling, and construction. They will be using multiple mediums to both design and create including computer imaging, clay, wood, paper, robotics, and become proficient in several forms of code. Part of the class will include green design, which focuses on bettering our environment through space and energy conscious structures.

Criteria:

- Must have completed one semester of STEAM
- Must have a 2.5 GPA, No D's or F's, No N's or U's
- Must adhere to GMS philosophy: ROAR (Respect, Ownership, Achievement, Rigor).
- Must be self-motivated and a team player.

I meet and agree to the above criteria:

Student Signature: _____ **Date:** _____

Parent Signature: _____ **Date:** _____
