Home Ec in 7th grade)

-ASB Leadership-

-Competition Robotics-

-Yearbook-

Art Production

***Application is required**

Art Production is a class for students who are self-motivated learners in the visual arts.

If you are a 7th grader who took Art, you are qualified to be in this class.

You still need to apply if interested.

If you are an advanced artist who didn't take art as a 7th grader, please apply.

ASB Leadership

ASB is to make students feel connected to their school, community and each other through organized activities.

ASB members are leaders; they are honest, responsible, willing to work hard, respect both adults and fellow students, and have school pride! Activities include:

- Plan Dances and Quad Events
- Create Spirit Weeks
- Lead Assemblies
- Organize Lunch Time Sports
- Create Community Service Activities
- Attend Leadership Trip to Disneyland!

***Application is required -Join the [google classroom](#) code [njtahpa](#) for directions on how to apply!**

Email: kvoniderstein@tustin.k12.ca.us

Competition Robotics

Competition Robotics is a class dedicated to building, programming, and competing with a VEX robot. You will increase your skills in communication, teamwork, and engineering. You do not need prior robotics experience to be considered a great fit for the team.

There are 2 class periods for competition robotics:

VEX IQ: 6th and 7th Grade

VEX VRC: 7th and 8th Grade

*application is the same for both levels - if selected you will be placed on one of the teams.

Culinary Arts

In Culinary Arts, 8th grade students develop proper techniques in preparing food. Focus is on all 5 food groups, shopping and cooking techniques, use of kitchen equipment, table service and etiquette, and reading and interpreting recipes.

You are qualified to be in this class ONLY IF you successfully completed the entire yearlong home economics as a 7th grader.

Yearbook

***Application is required**

Yearbook is a full year, academic based, elective course. Applicants might have the following traits/skills:

- enjoys creative writing
- enjoys taking photos of friends
- motivated self-starter and finisher
- open to communicate with adults and peers
- eager to make the best book yet!

You will need to upload a photo of a person, and complete a video for this Google Form application.

FAQ'S

Do I have to apply for one of these electives?

No! There are many elective options that do not require an application - you'll get more info. next week.

Can I apply for more than 1 application elective?

Yes. However, scheduling conflicts may occur. We will do our best to place you in the approved electives & contact you if there is a problem!

What if I apply but do not get selected?

When it is time to select your electives for next year, you will choose 2 primary and 4 alternate electives (not including the application electives). If you do not get selected, you will be placed into 2 of your other choices!

Can I turn my application in late?

No late applications will be accepted. All applications must be submitted by Wed, April 6.

Who should I contact if I have more questions?

Teacher emails are listed on each slide if you have a question about a specific class. Counselors are also a great resource: Mrs. Montes (smontes@tustin.k12.ca.us) or Mrs. Park (epark@tustin.k12.ca.us)
