SCHEDULING FOR THE 9TH GRADE YEAR

- 1) March 13-15 – Scheduling of courses through the Social Studies classes
- 2) Students will be instructed in the use of the Skyward Student Access Portal for Course Selection
- 3) Students make requests for courses in Skyward Student Access.
- 4) Students will take materials home and work with their parents on course selection online.

SCHEDULING

- 5) Your current classroom teachers will be making recommendations in English, Math, Social Studies, and Science.
- 6) You will be taking tests for placement in upper level Math and Science.
- 7) You will not be allowed to “self select” for these 4 academic areas or for PE. Students may change their elective choices up until May 1. Access to the Student Portal will be closed on April 1 so any changes after April 1 will need to be made by emailing Mrs. Moffett
- 8) If you sign up and pay for summer PE, you may request that alternate electives be placed in the schedule.

SCHEDULING

- 9) Remember these are requests and don't represent your actual schedule. Students are asked to put Alternate Requests in Skyward in case of conflict, full classes, or summer PE.
- 10) If all goes as planned, we hope to have schedules by the end of the school year.

***The letter students bring home after scheduling needs to be returned to CMS Guidance by April 3 with a parent signature.
