Dear Students and Parents/Guardians of the Class of 2022,

I would like to be the first to welcome you to Las Lomas High School, Home of the Knights. You will be joining a community dating back to 1951 with a rich history and traditions. This August, you will become part of our shared legacy. As Principal, I believe one of the keys to being successful in high school is finding a connection through your academic, athletic, or artistic interests. At Las Lomas we strive to adapt to our students' evolving needs and interests. You will find that our extra-curricular activities reflect the diversity of our students. Our staff is dedicated to providing you with the opportunities to be successful and we offer the help and guidance you will need to grow and realize your full potential.

I want you to be involved in your own education, taking advantage of the many opportunities Las Lomas has to offer. I encourage you to reach out to the many staff members who are dedicated to helping you succeed. My door is always open to students as well!

I look forward to meeting you during the Spring class registration process and during our Fall Knights Day school registration sessions.

Las Lomas Counseling Office

Dear Parents of the Class of 2022:

We would like to take this opportunity to extend to you and your student a warm welcome to Las Lomas High School. The following is our schedule for registering students who will be entering Las Lomas as freshman in the fall of 2018. **(Please note: proof of residency must be provided for every student entering Las Lomas. This process will begin in August.)**

- **Tues-Wed, January 23-24:** Counselors visit classes at Tice Creek (1/23) and WCI (1/24) and distribute registration folders and course information. The folder will include: (1) Forms to be filled out and returned to Tice Creek or WCI English classes. (2) Information related to course selection. (3) Instructions for completing the online course request system. **Your student should bring this packet home for you to review and take to the evening orientation.**
- **Tuesday, January 23– Tuesday, February 6:** Online course request window. After discussing class selections with your student, you must enter those choices and alternate selections online. Instructions are included in the registration folder.
- **Thursday, February 1:** Online information link for new students launches on Las Lomas webpage www.acalanes.k12.ca.us/laslomas . Look for the “New Student Info” button. This link should help you, as an incoming Las Lomas parent, feel like you are already part of our community!
- **Thursday, February 1, 6:00pm:** Eighth grade *parent only* orientation meeting at Las Lomas gym. Very important meeting reviewing and addressing questions regarding 9th grade course requirements and elective courses. Please bring with you the registration folder your student brought home. You should leave this meeting with a rough draft of course selections.
- **Thursday, February 1, 6:30pm:** Las Lomas Open House. Eighth graders and parents are encouraged to attend. Classroom demonstrations, art exhibits, musical entertainment are only a few of the exciting things planned for that evening.
- **Tuesday, February 6:** Registration forms are due in English classes at WCI and Tice Creek.
- **Monday, April 9 - Friday, May 18:** Individual counselor appointments with student and parents to discuss 9th grade classes, transition to high school and the beginnings of a four year plan. **The appointment time and date will be on a sticker on the cover of the folder your student received.** **
- **August 2018:** Address verification and Knights Day.
- **Monday, August 20:** First day of school

**Although we are attempting to match student and counselor for our individual appointments, actual assignment of counselors will occur at Knights Day.

We are looking forward to meeting you and your student. This registration is a very important first step to a successful four year experience at Las Lomas.

Sincerely,

8th Grade Parent Information Night: Frequently Asked Questions

- **How does a student make an appointment with his/her counselor?**
Students fill out an appointment request form (available in the Counseling Office) and turn in the completed form to their counselor's box. Counselors make every attempt to respond to a student's request for an appointment within three days. Please keep in mind that counselors must prioritize emergencies and urgent matters.
- **How do parents make an appointment with their student's counselor?**
Please call or e-mail your student's counselor to schedule an appointment. Counselors cannot accommodate drop-in appointments.
- **What if I want to change a class?**
The add/drop period takes place the first ten days of the school year. Students who would like to add and/or drop a class will need to fill out a course change request form (available in the Counseling Office). Forms are reviewed and changes will be made if teacher contract loads and classroom space allows.
- **Can students request a teacher change?**
Given scheduling constraints, we cannot honor teacher change requests.
- **Will classes change after the first semester?**
No, all freshman classes are year-long, which does not allow for semester changes.
- **How much homework will my student have?**
Your student should plan to have at least 30 minutes of homework each night for each academic class s/he is enrolled in.
- **What is considered a full academic load?**
Six credit classes are considered to be a full academic load. Freshmen are required to take at least six classes, and have the option to request seven.
- **What grades are reported on transcripts?**
Semester 1 and semester 2 grades are the official grades that are reported on transcripts. Progress report and quarter grades are not reported on transcripts.
- **Do freshman grades count?**
Yes! Freshman grades count to meet graduation requirements and also college eligibility requirements. Some schools (most UCs and CSUs) use the GPA from grades 10-12 for admission purposes, but individual freshman grades are still considered to prove proficiency.
- **What if my student has a question about his/her grades?**
Students are encouraged to speak directly to their teacher/s. School Loop is also a tool to monitor grades.
- **How do I contact a teacher?**
Teachers can be reached via e-mail or phone (voice message). Please allow up to 48 hours for a response.
