Welcome to our Aviator spotlight section! Here we'd like to highlight a certain student who exemplifies the heights to which our Cal Aero population can soar! Today, we'd like to highlight **Divya Soni**, 5th grade. Divya is a 3x published author! Here's a little about her, in her own words:

1. Name: Divya Soni, Age: 11 (5th grade, Mrs. Paez's class)
2. What's your latest book about? *Moonlight* is the book I wrote. It's about a girl who feels compared to her sisters and wants to find her own path.
3. What inspired you to write a book? One day, I was bored. 😊. Then I started writing in a journal. Which developed to Microsoft Word. Then Amazon.
4. What are some future goals you have? To be a singer-songwriter.
5. Any advice for any younger students about following their dreams? Okay...so. Everyone starts out with a dream, a goal of some sort. May it be impossible, may it be crazy. It's still *your* dream. And if you love that dream so much, then nothing will stop you from achieving it.
6. Some little tidbits you want other people to know about you: I ❤️ tetherball. I have sprained my finger twice because of it. Oh, and my favorite colors are black and gold. Let's see, what else? If I could live anywhere in the world, it would probably be New York!
