At Delphic School Students and Staff are Safe, Respectful, and Responsible

A+ Conferences on Nov 1st, New Report Cards A+

October 25th, 2019

Superintendent/Principal Message

Dear Parents and Families,

Conferences will be held on November 1st. There will be no school day for students on this day. Sign ups are in the hallway, please come in and get a time slot if you have not yet.

At conferences, teachers will be giving parents their student's report cards. Our report card template is new to more accurately report the California State Academic Standards. If you have questions about the new report cards, please let me know.

6th - 8th grade parents, please keep helping your student sell tickets and obtain donations for our fundraising dinner. Each 6th, 7th and 8th grade student is asked to sell a minimum of 10 tickets to generate the expected profit needed to fund planned activities. If your child needs help selling tickets, let us know. Mrs. Kuck and I are taking students to local businesses to help.

If you have not donated, please consider! We are looking for many different types of items including: gift certificates, gift baskets, gift cards, etc. We are also needing folks to make desserts for the auction following the dinner.

Please call if you have any questions, comments or concerns.

For the kids!

Jami Thomas,
Email: jthomas@sisnet.ssku.k12.ca.us

K-2 GRADE

- The kindergartners are learning the letter "Gg" and the number "7". They have a lot of fun playing number bingo and fun crafts. The first and second grades are working hard in math. I was so excited about their math test scores. The first graders need to stay diligent in reading. They need to be reading their stories every night. Please sign up for parent conferences in the hall.

3-5 GRADE

- This week we started our Kindness Counts project. Students wrote kind notes to staff, family, friends, and themselves. Many of the notes are displayed in our room, so please check out the classroom bulletin board when you have the chance. If you know of a student performing an act of kindness, let me know. We are celebrating that, as well. One more note - the students rocked their Studies Weekly assessments this week! Please ask your students how well they did.

6-8 GRADE

- This week in our class we've been viewing Hamilton and the kids are really enjoying the production. We've also been preparing for our Spaghetti Feed Fundraiser with lessons on etiquette when participating in a social event. Please try to get out this weekend and support your child selling tickets and getting donations. Thanks!

SAFE Notes

(Safe Afterschool For Everyone)

This week Summer Russell is the SAFE student of the week. Summer always follows directions and is very helpful! We have a lot of fun things coming up in SAFE, we will be making slime, and cooking goodies.

Parents, if you have any fun activity ideas for SAFE, please let us know!
