Finishing Up State Testing, Field Trips and Graduation

May 18, 2018

Superintendent/Principal Message

Dear Parents and Families,

The weather has been very warm and we would like to encourage parents to send kids with sun protection. Also, please review Delphic's dress code and make sure kids are coming to school with appropriate attire. Thank you!

Please see the attached survey. If we could have each family complete and return one by May 31st, it will help us in planning for next year. Thank you for your time!

If your child will be returning to Delphic next year, please let us know by filling out the form on the back of this newsletter. If your child is in 6th grade, there are required immunizations for them to return in the fall as a 7th grader. Please call Mr. Adams if you have any questions.

For the kids!
Jami Thomas

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are practicing their number words and reading, reading, and more reading! Please help your child practice the stories that are being sent home. They are also practicing their graduation song which is June 5th at 11:00am. The first graders are working on graphing and clocks. The second graders are working on area. In the afternoons, they are learning about the Declaration of Independence and colonies. They wrote about storms, frogs and made pop-up books!

3-5 GRADE

- We had a great day at Ag Day! The students loved learning about all things relating to agriculture around our community. Thank you to the parents and staff who helped out! We are almost done with testing! Great job to students for taking their time and trying their best. Next week we will have some physical fitness testing going on.

6-8 GRADE

- The last two days of this week were a blast during our class trip! We were able to see a fantastic play at the Shakespeare theater called *Henry the Fifth*. On Friday we drove to Grants Pass and went on the Hell's Gate Jet Boat Excursion.

SAFE Notes

(Safe Afterschool For Everyone)

SAFE staff continue our Fun Enrichment Fridays with a variety of themes. We will also continue to offer cooking twice a week for the remainder of the year! May 25th will be Water Day! Please send students with a change of dry clothes.
