

Delphic Elementary School Weekly News

At Delphic School, Students and Staff are Safe, Respectful, and Responsible

Staff Appreciation Week Next Week, Open House Success

May 3, 2019

Superintendent/Principal Message

Dear Parents and Families,

Thank you so much to the families that were able to join us for Open House and Parent Appreciation Night! If you did not get a chance to fill out our school site survey, please stop by the office and pick one up. We appreciate your feedback.

Next week is staff appreciation week and Wednesday, May 8th is the Day of the Teacher. Please take a moment next week to thank our school staff for their hard work and commitment to our students. We are so lucky to have such a dedicated group of people!

On Monday we sent home news and plans related to next school year. Mrs. Kuck has announced her retirement and Mr. Darnell has been hired to teach 6th-8th grade. As you know, Ms. Diehl is moving to southern Oregon at the end of the school year and we have hired Mrs. Jackson to teach 3rd-5th grade next school year. We will miss Mrs. Kuck and Ms. Diehl, but are also very excited to welcome our new teachers.

On May 7th, Mrs. Anna Hanisko, TUPE Coordinator from the Siskiyou County Office of Education will visit our 6th-8th grade classroom to discuss the risks of tobacco use. A couple of reminders: Please make sure to send in your re-enrollment forms for next year so we can plan accordingly. Make sure Graduation is on your calendar, for June 4th. There is no school on Monday May 27th Thank you!

For the kids!

Jami Thomas, Superintendent/Principal

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are learning the letter "Z" and the number "26". They are learning their graduation song and finishing up their ABC Books! The first and second grades took a math test. They learned about Tomotaka Takahashi, Cesar Chavez, and Thomas Edison. Also, if you know your child is going to miss a day of school, please let me know in advance so I can make sure your child is caught up or get the work together. It was awesome to see all the parents at Delphic's Open House!

3-5 GRADE

- The 3rd-5th graders created a wonderful art project inspired by the artist Vincent Van Gogh. They were displayed at our Open House Wednesday night. On Friday the 3rd graders were able to go to Healthy Kids Day. They had a blast learning all about the different ways to stay healthy!

6-8 GRADE

- This week students had a quiz on how the heart functions. The 8th graders finished up chapter 3 in their Social Studies textbook. The entire class continued with Physical Fitness testing. The 8th grade trip is right around the corner.

SAFE Notes

(Safe Afterschool For Everyone)

Our SAFE citizens of the week are Ms. Clark and Mrs. Martinez! In honor of staff appreciation week, we would like to recognize our awesome SAFE staff.
