

Bellflower Middle/High School

8th Grade Textbook Return, Locker Clean-Up, and Awards/Promotion Certificate Pick-Up

June 5, 2020 - 1:00 PM - 5:00 PM

Behind Gym

Facial coverings are **MANDATORY** for the safety of our students, families, and staff. Textbook return, Locker Clean-Up, and 8th Grade Awards/Promotion Certificate Pick-Up will be conducted through a drive-through process, located on the blacktop behind the gym (see map attached). After returning your textbooks and cleaning out your locker, if necessary, you will pick up any 8th Grade Awards and your Promotion Certificate at the final station in our drive-through process. Vehicles should enter through the service road located on Highdale St. behind the band room and cafeteria. All vehicles will exit the other service road to Somerset Blvd.

Please note that this is NOT a Drive-Through Promotion Ceremony. This Drive-Through Event will serve as a Textbook Return, Locker Clean-Up, and 8th Grade Awards/Promotion Certificate Pick-Up only.

MATERIALS TO BE RETURNED: Textbooks and Library Books

SPECIAL NOTE ON CHROMEBOOKS: Chromebooks do not have to be returned yet. We are not sure what the Fall semester will look like and students may need to use the Chromebooks in the Fall semester. Chromebooks should only be returned if you are not returning to BHS.

Please be sure to double-check that you bring everything with you on your scheduled appointment time.

APPOINTMENT TIMES - FRIDAY, JUNE 5, 2020

APPOINTMENT TIME	STUDENT LAST NAME
1:00 PM - 2:00PM	Abundiz, A. -- Espinoza, S.
2:00 PM - 3:00PM	Evans, E. -- Lopez, M.
3:00 PM - 4:00PM	Lopez Campos, J. -- Ramirez Lepe, A.
4:00 PM - 5:00PM	Ramirez Torres, P. -- Zavala, L.

Guidelines:

All social distancing guidelines will be enforced and followed throughout the entire process. At each drop off station, only the student will exit their vehicle and place their items on the designated table. After placing items on the table, students will be asked to step back to a designated space to allow school staff to safely process the items. Once processed, students will then return to their vehicle to proceed to the next station.

Stations Include:

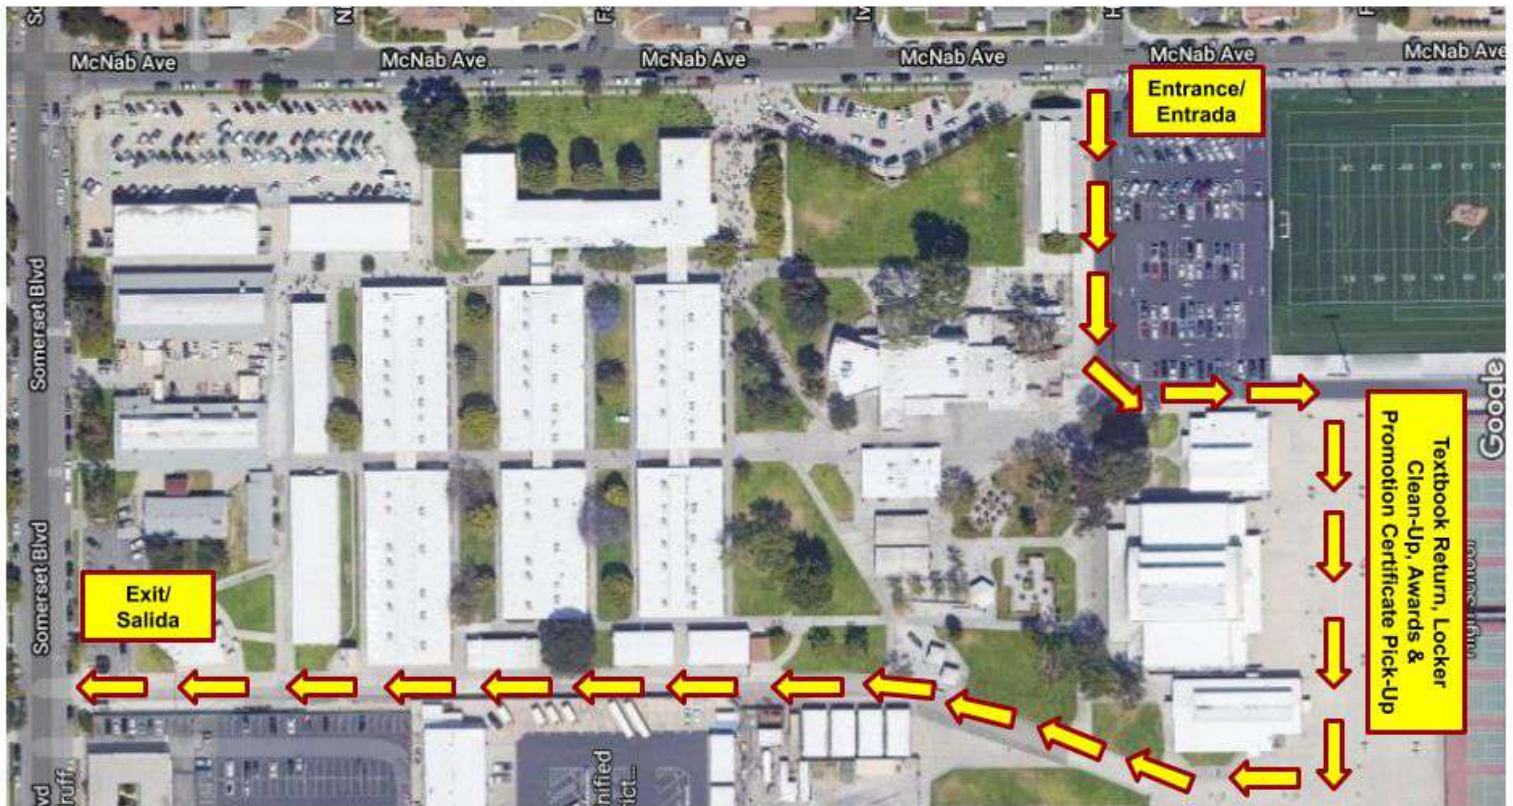

1. Instructional Material Collection Station which will collect any Textbooks and Library Books
2. Locker Room Clean-Up Station which will allow students to pick up items from their lockers
3. 8th Grade Awards/Promotion Certificate Pick-Up Station

Locker Room Clean-Up

Only a few students at a time will be allowed into the locker room to collect items from their locker and **social distancing guidelines will be enforced. Students must be wearing a facial covering.** Please come prepared with a locker combination. If students forget the locker combination, we will unlock the lock if it is a school lock, otherwise, it will be cut. Students will receive a plastic bag to place their items to take home. If a student no longer wants the items, they can throw them in the dumpster outside of the locker room. Vehicles with students that are picking up items will park off to the side to wait for their student. Vehicles that have nothing to pick up in the locker room will move on to the final station.

8th Grade Awards and Promotion Certificates

Students who earned 8th Grade Awards will be receiving their awards being presented at the Virtual 8th Grade Awards and Promotion Ceremony. All 8th Grade students will also receive a Promotion Certificate and one keepsake program.

Virtual Awards/Promotion Ceremony will premiere at 6:30 PM on June 5, 2020
