STUDENT ADVISORY COUNCIL (SAC TEAM)

The SAC assists in running the IB program. They will organize IB buddies, field trips, fundraisers, and dances to make the IB year more enjoyable and student-centered.

We start with the 8th grade team and bring on the 7th grade team at the semester.

- Organize and Fundraise for field trips
- Host Dances
- Host IB potlucks
- Run the IB Buddy program
- Assist Mrs. Hughes and Mrs. Maiden

IB Service as Action

CFIS IB students are active, valued participants in the Corona community!! IB student can earn community service hours by demonstrating:

Direct Service (interacting with the community)

Indirect Service (Organizing a canned food drive),

Advocacy (creating a PSA),

Research (conducting research and creating useful notes)

All students will then complete a reflection for each activity to show us what they learned from completed the service.

7th Grade: 15 Hours **8th Grade: 20 Hours**

WHAT NEW IB PARENTS SHOULD KNOW

1. Join our google classroom – code: r2erm3c
2. If you have questions, Please ask your child first, then reach out to the teacher. Email is best.
3. Classical reading – IB students are required to read about 30 pages a week and complete dialectical journals. We will be providing a list of approved novels, but you may see/ask Mrs. Hughes or Mrs. Maiden for books that do not appear on the list.
4. Make sure your child is eating and staying hydrated. Encourage them to “unplug” from all social media an hour before bedtime.
5. Middle school is time to let your child take the lead in their learning. Let them do it, be patient, give yourself grace, but continue to check in with them daily. We are all here to help and are looking forward to 2022-2023 being the best year ever!!
