

LYNWOOD MIDDLE SCHOOL

“Home of the Tigers” WEEK AT A GLANCE

A MESSAGE FROM MR. TERRY:

The month of April is an indicator that SBAC testing is approaching rapidly. We have been preparing our students since the start of the school year for this statewide exam. Our Tiger Learning Academy teachers will have their final module during this month. We continue promote our college-going environment with G2C students participating in college tours. The Pentathlon team will compete at Westminster High School to show what they know later this month. We'll recalibrate students with our Behavior Expectation assemblies so we can end the year strong. The defending champion girls soccer team returns to defend their title, along with our boys. And a HUGE congratulations to our Girls Basketball team for placing first in the Think Together Tournament in the month of March! These wonderful things could not take place unless we have a dedicated staff. Thank you for making our school a special place!
