

9th Grade Parent Information

Our 9th grade class consists of three teams: Team 91, Team 92, and Team 93. Ninth grade students are expected to attend a team conference with their core teachers. Each team's core teachers will be in one location, and parents will sign up for a 20-minute conference where they can touch base with each of their student's core teachers. **Please do not sign up for a team conference on the SignUp Genius website;** every 9th grade family will be contacted by an NMHS staff member who will schedule your team conference for you. If you would like an additional *individual* conference with one of your student's teachers, you may use the SignUp Genius website to do so:
