

9th Grade STEAM Academy

The Why?

To Provide an exceptional STEAM learning environment that allows a successful transition into the main high school campus!

"Reimagining our Douglass, one student at a time..."

How?

By removing 9th grade students from distractions of the main campus

Placing more instructional focus on science, technology, engineering, the arts and math

By ensuring that 9th grade students are still able to participate in main campus activities like Homecoming, athletics and other extra curriculars.

By requiring uniforms and enforcing the policy

"Start with High School Graduation in mind..."
