OPPORTUNITIES

Education/Luck

Have you ever been jealous of someone because he or she has been successful at something? Have you ever said "She just got lucky"? Listen to what famous coach Darrell Royal said about luck:

Luck is what happens when preparation meets opportunity.

Lucille Ball, famous American comedian, said it another way:

Luck to me...is hard work.

So what's the moral of this story? If you want to be lucky in life, you need to get prepared for what it is you want. So study hard. Get a good education and be prepared. You'll be ready to meet Lady Luck when she knocks on your door.
