

# Hawk Talk – Tuesday, April 13, 2021

**Students:** We have afterschool tutoring every Thursday from 1:55 to 2:55 and the Learning Lab is open every day during lunch.

**Students:** Just a reminder that Friday is a minimum day.

**Students:** Please make sure you complete your safe screener and bring your Chromebook fully charged with the charger every day you are attending on campus school.

**Students:** Highland High School mailed the incoming 9th grade enrollment instructions to all those students that live within Highland's boundaries. Parents can follow the directions beginning the enrollment process as soon as they receive their letter. Enrollment at Highland will open on April 12th and continue until June 4th. Beginning April 12th they will be collecting documents and verifying information to make sure they have everything, and that it all matches before emailing the parent/guardian the information to choose classes. If there are any questions or concerns, email [hhs-registration@avhsd.org](mailto:hhs-registration@avhsd.org).

**Students:** 8th graders interested in applying for Quartz Hill High School ASB can now fill out an application on line. Please go to the QHHS website it will be under Programs - Activities and ASB. The deadline to apply is April 30th.

**Students:** Friendship Friday online will start up again on Friday, April 23. I hope you will be back to join us. If you never participated before, click on the link in your advisory google classroom and join us for a fun time with games and activities. Hope to see you there!

**Hawks:** The PTSA is hosting an online Book Fair. It runs from April 5-18, 2021.

**Hawks:** **Weekly Kahoot Challenges**

Thank you to all of those who participated in our weekly Kahoots "Where Am I?" challenge last week.

The top finishers were:

3rd: Shaun I., 7th Grade, 14,316 points

2nd: Mark P., 6th Grade, 14,400 points

1st: Chen Jun L., 8th Grade, 14,508 points

For Kahoot challenges, players may only play once and must use the following format when joining the challenge: First Name Last Name Grade Level (Laura Johnson 8th), rather than a nickname. Only scores of those who have formatted their name and grade level correctly will be counted! If you take the test more than once, NONE of your scores will be counted and your name will be removed from the Kahoot!

This week's Kahoot will challenge your knowledge of movies and TV shows! This challenge will be hosted in the Google classroom named "Hillview Hawks Virtual Spirit". You can join this classroom with the code sydu3ew. The link and join pin will be posted in the classroom stream and the challenge will open at the start of Lunch on Tuesday and close at the end of Lunch on Thursday. Top finishers will be announced next week. Good luck!

G Suite for Education is provided to Westside Union School District Students at the discretion of the District and all communications to and from this address are subject to review by Staff of Westside Union School District.

**Hawks:** Happy birthday to the following Hillview students celebrating their birthday this week: Allisson C., Sebastian E., James H., Leilani H., Kalum H., Jillian K., Christopher L., Jane L., Joana L., Abigail M., Dominic R., Nicole S., JaZaiyah S., Isaac V., Johnathan W. and Leopoldo Y..

## **Words of Wisdom** **Education**

Plato is considered one of the greatest philosophers of Western culture. In 397 bc, he founded the first university in the history of Europe. It would probably be fair to say that Plato understood a great deal about the importance of education. Listen to his words today:

***The direction in which education starts a man will determine his future life.***

Today, ask yourself this: In which direction am I headed with my education? Am I studying hard? Am I doing my best? Am I preparing myself for a successful future? Then remember what Plato says. The choices you make today about your education will determine your future.
