World Geography
Psychology

- Students must schedule for a minimum of 5.75 credits in order for your schedule to be approved (Exceptions made for CCP)
- For more information on CCP classes please view the Virtual CCP Presentation on the High School Home page.

Registration Timeline

January—March—registration begins for the school year 2022-2023. Students will be given a copy of their course registration form to take home for parental approval. Students/Parents may make schedule changes in the appropriate place on the registration form. Students must return the registration form with a parent(s) signature to their school counselor in Student Services.

April—Schedule changes may be made with parent permission **until April 22, 2022**. “Change of mind” schedule change requests will not be honored after this date.

Schedule changes will only be made due to the following reasons:

- Schedule conflicts/errors
- Educational reasons: credit deficiencies or required courses needed
- Uneven balance of semester courses or study halls. Changes due to completion of pre-approved summer school courses
- Changes that are in the long-range academic best interest of students will be considered with a consultation among student, parent, teacher, counselor and principal.
- **Second-semester changes:** Any second semester schedule changes must meet the above criteria.

To be fair and consistent with all students, we are sorry that we cannot entertain preferential requests for class periods, lunch period, or teachers.

- Students must be enrolled in 6 classes per semester.
- Students are allowed one Study Hall per semester.
- Students who have a full schedule (7 courses) will be permitted to drop a class for academic reasons at any time. Courses dropped after the first six weeks will be noted with Withdrawal/Pass (WP) or Withdrawal/Fail (WF) on the transcript.
